Special Conditions of Contract

Section III. Special Conditions of Contract

Notes on the Special Conditions of Contract

Similar to the Bid Data Sheet in Section II, the clauses in this Section are intended to assist the Procuring entity / purchasing entity in providing contract-specific information in relation to corresponding clauses in the General Conditions of Contract.

The provisions of Section III complement the General Conditions of Contract included in Part one, Section II, specifying contractual requirements linked to the special circumstances of the Procuring entity / purchasing entity, the Procuring entity / purchasing entity's country, the sector, and the Goods purchased. In preparing Section III, the following aspects should be checked:

- a. Information that complements provisions of Part one Section II must be incorporated.
- b. Amendments and/or supplements to provisions of Part One Section II, as necessitated by the circumstances of the specific purchase, must also be incorporated.
- c. To facilitate further data entry during bids processing, all bidders are also required to submit the quoted product list as per prescribed proforma in the approved Standard Bidding Documents for this bidding competition, in soft form in MS Excel format (and not in other software formats or images) in USB, duly labeled by a permanent marker with the name of bidder firm along with the words '**LRH-MTI bid 2025-26**'. The bidders must ensure that said USB is openable and readable. Moreover, in the same context, the bidders are also required to submit a table of contents in the start of bid with proper page numbering on each page of the bid.
- d. Bidders are required and encouraged to offer the most competitive lowest price/s of their quoted item/s as no negotiations on quoted price/s shall be allowed under the rules.
